Sen. Gilbert pleased to see Thumb-area agency receive grant

LANSING – Sen. Jud Gilbert, R-Algonac, is pleased to announce that Thumb area residents will now have additional opportunities for education and job training assistance thanks to a state grant.

The Thumb Area Michigan Works! Employment Training Consortium is receiving \$17,200 from the Michigan Department of Labor & Economic Growth.

“This grant will help area residents get the training they need to succeed,” Gilbert said.

The grant will be used for individuals participating in the Work First Program, which assists low-income residents in finding employment, reducing or eliminating their need for public assistance.
